# Integrate your fridge without the fuss

## Easy and simple

The Kelvinator Integrated Refrigeration Kit offers a simple and precise solution for a seamless kitchen. The specialised Kelvinator hinges also allow the fridge door to open to a wide 120°, making it easier to access food as well as clean and remove shelves. Everything you need to integrate your fridge – including the hinges – is provided in one complete package, avoiding unnecessary running around and hidden costs.

Specialised 120° wide opening hinges

Blend seamlessly behind your cabinetry

### How does it work?

The kit is designed to fit a wide variety of Kelvinator fridges. It utilises a sliding system which fixes the outer door of the fridge to the kitchen cabinet. When the cabinet door is opened, the connecting rail opens the fridge in one smooth and simple motion.

### Models that can be used with the IK007 Integration Kit

Top Mount <sup>†</sup>	Bottom Mount <sup>†</sup>
KTM5200	KBM5100
KTM4400	KBM4300
